

# Superman

## Goldfinger

So here I am doing everything I can  
Holding on to what I am, pretending I'm a superman I'm trying to keep the ground on my feet  
It seems the world's falling down around me  
The nights are all long, I'm singing this song  
To try and make the answers more than maybe And I'm so confused about what to do  
Sometimes I want to throw it all away So here I am growing older all the time  
Looking older all the time, feeling younger in my mind  
And here I am doing everything I can  
Holding on to what I am, pretending I'm a superman I'm trying to sleep, I lost count of sheep  
My mind is racing faster every minute  
What could I do more, yeah, I'm really not sure  
I know I'm running circles, but I can't quit And I'm so confused about what to do  
Sometimes I want to throw it all away Controlling everything in site, feeling weak, I don't feel right  
You're telling me, I have to change, telling me to act my age  
But if all that I can do, is just sit and watch time go  
Then I'll have to say good bye, life's too short to watch it fly  
So watch it fly So here I am growing older all the time  
Looking older all the time, feeling younger in my mind  
Here I am doing everything I can  
Holding on to what I am, pretending I'm a superman
