

# Got to Have Your Love

Clyde Alexander

Every time I close my eyes, I can clearly see  
The image of your smile shine through my darkest dreams  
I never thought that I'd find myself this close, this close  
To you my dear, tell me what it means  
(Got to have your love)

I can feel your sweet caress wash away all the loneliness  
That I once felt inside my heart, oh yeah  
Boy, if you could read my mind I'm sure that you could find  
What you've been searching for, what you've been searching for  
Free me from despair, there's so much to share  
If you surrender to me, oh yeah  
Whisper in my ears, words I long to hear, ooh yeah  
(Gotta find a way to get into your heart)  
Boy, I got to have your love  
(Gotta find a way to get into your heart)  
You know, you know, you know I need your love  
(Gotta find a way to get into your heart)  
Boy, I got to have your love  
(Gotta find a way to get into your heart)  
You know, you know, you know I need your love, woah  
Yeah, listen up, woo  
I got to have your love like this  
You're like an angel in disguise, I feel like I'm in heaven  
When you walk my way you're such a mystery  
The butterflies I feel inside must be, must be  
A sign of love, no one can disagree  
My desire for your love is like a new horizon  
Only lovers see like you and I, I  
Sacred love will be the start to sacred nights, our hearts  
I'll love you till my dying day, until my dying day  
Free me from despair, woah, there's so much to share  
If you surrender to me, to me, to me, to me  
Whisper in my ears, oh yeah words I long to hear, oh  
(Gotta find a way to get into your heart)  
Boy, I got to have your love, woah  
(Gotta find a way to get into your heart)  
You know, you know, you know I need your love  
(Gotta find a way to get into your heart)  
Boy, I got to have your love

(Gotta find a way to get into your heart)  
You know, you know, you know I need your love  
(Gotta find a way to get into your heart)  
Ooh, I got to have your love  
(Gotta find a way to get into your heart)  
You know I need your love  
(Gotta find a way to get into your heart)  
Boy, I got to have your love  
(Gotta find a way to get into your heart, heart)  
You know, you know, you know I need your love  
(Gotta find a way to get into your heart)  
Boy, I got to have your love  
(Gotta find a way to get into your heart)  
You know, you know, you know I need your love  
(Gotta find a way to get into your heart)  
Boy, I got to have your love  
(Gotta find a way to get into your heart)  
You know, you know, you know I need your love
