Let Your Power Fall, Pt. 2

Deon Kipping

Prove the doubters wrong
Youâ€™re still mighty and strong
(repeat 4 times)

Let Your power fall
When Your name is called
Prove the doubters wrong
Youâ€™re still mighty and strong

This is what I need You to do
Fight this battle for me

This is what I need You to do
Fight this battle for me

This is what I need You to do
Fight this battle for me

This is what we need You to do
Fight this battle for me

Help my unbelief
So I can tell my friends
You have won again

So I can tell all of my friends
You have won again

So I can tell all of my friends
You have won again

Ending:
You have won again (repeat)

Hallelujah, Hallelujah, Hallelujah
You have won again
(repeat)
