

# Paralyzed

## Rock Kills Kid

This feels like another dream  
Trapped underneath my own routines  
I tried to lift it off of me, I give up  
I give up, I just sit and bleed I'm paralyzed, I'm paralyzed  
I'm stuck in the middle and I'm paralyzed Arms and legs in between  
Caught inside a stupid dream  
Look for her but cannot see, I give up  
I give up, there's no time to believe I'm paralyzed, I'm paralyzed  
Stuck in the middle and I'm paralyzed  
I'm paralyzed, I'm paralyzed  
The only way to cope is to realize This feels like another dream  
Everyone grabbed a hold of me  
Pulled from every side of me, I give up  
I give up, there's nothing left of me Arms and legs in between  
Caught inside a stupid dream  
Look for her but cannot see, I give up  
I give up, there's no time to believe I'm paralyzed, I'm paralyzed  
Stuck in the middle and I'm paralyzed  
I'm paralyzed, I'm paralyzed  
The only way to cope is to realize I'm paralyzed  
I'm paralyzed I'm paralyzed, I'm paralyzed  
Stuck in the middle and I'm paralyzed  
I'm paralyzed, I'm paralyzed  
The only way to cope is to realize I'm paralyzed  
Stuck in the middle and I'm paralyzed  
I'm paralyzed  
The only way to cope is to realize
