Mystifies Me (2015 Remastered)

Son Volt

Stay a while and work it out with me
We got time and we can talk, too
Give me a sign, I'll take your word
I'll learn anything you want me to
That is all I'm lookin to ya for
All I'm askin' that you simply do
Take it, leave it, make things matter
Let in all my breath away
Take it all apart and put it back
I am always left here lookin' at you
You look so fine, true, you look so fine, true
I would not lie to youLet me see you, let me know your dreams
Won't you please give out a sign
Things you say make me look through you
No one mystifies me like you do
This is why I always look at you
And I hold you to it every dayYou look so fine, true
No one mystifies me like you do
You look so fine, true
No one mystifies me like you do
