

Taste It

Jake Bugg

Filled my head with the future, fill my eyes with the sky,
Hold my life get left behind, but I never felt more alive. I speak conversations, speeding it down the line,
Locked in your eyes I just had this goodbye, but I never felt more alive. I can taste it,
In my mouth, its just so bittersweet,
Its like theyre in your eyes,
Of apple green.

It should be easy, but its hard to leave. The time in the fire is ugly, you wont know if you wont try,
Love bring on my shirt and I walked away hurt, but I never felt more alive. Talking about my connection, think I
might have fused a while,
You are never sight as our voices die, but I never felt more alive. I can taste it,
In my mouth, its just so bittersweet,
Its like theyre in your eyes,
Of apple green.

It should be easy, but its hard to leave. Yeah, this love treat us,
And its been a long, hard drive.
Painful in the morning, when your best friend is the night. Fly over the mountain and never looking down,
I never felt more alive.
Dread is gonna find us, a hope into your eyes,
cause I never felt more alive. I can taste it,
In my mouth, its just so bittersweet,
Its like theyre in your eyes,
Of apple green.
It should be easy, but its hard to leave.
