

# Broke My Eyes

[Donkeyboy](#)

Broke my eyes, when I saw what I shouldn't see Slightly mad, like everyone else Life is short, why is life so short? (Refr): We can't hide no more We can't run away, disguise ourselves, we're born We can't hide no more We can't run away, disguise ourselves, we're born (Verse 2): Consequences, you should be more aware Consequences, has taken me down (Refr): We can't hide no more We can't run away, disguise ourselves, we're born We can't hide no more We can't run away, disguise ourselves, we're born
