

# Drain You

## Zircus

One baby to another says I'm lucky to have met you  
I don't care what you think unless it is about me  
It is now my duty to completely drain you  
I travel through a tube and end up in your infection  
Chew your meat for you, pass it back and forth  
In a passionate kiss from my mouth to yours  
I like you  
With eyes so dilated I've become your pupil  
You've taught me everything without a poison apple  
The water is so yellow, I'm a healthy student  
Indebted and so grateful, vacuum out the fluids  
Chew your meat for you, pass it back and forth  
In a passionate kiss from my mouth to yours  
I like you  
You, you, you  
You, you  
One baby to another says I'm lucky to have met you  
I don't care what you think unless it is about me  
It is now my duty to completely drain you  
I travel through a tube and end up in your infection  
Chew your meat for you, pass it back and forth  
In a passionate kiss from my mouth to yours  
Sloppy lips to lips, you're my vitamins  
I like you
