

# Stomp Dance (Unity)

## Robbie Robertson

In circles we gather  
Moonlight fires are kindled  
    Sending it back  
We just make it go back  
    Beating hearts, beating hearts  
    Come as one, come as one  
    This is Indian country  
    This is Indian country  
    Together we dance  
    All the first nations  
    There's no chance  
We ever gonna give up  
    Beating hearts, beating hearts  
    Come as one, come as one  
    This is Indian country  
    This is Indian country  
    Going home, going home  
    To a nation, six nations  
To all the faces I did not know  
    Beating hearts, beating hearts  
    Come as one, come as one  
    This is Indian country  
    This is Indian country
