

# Oh So Many Years (Feat. Billie Joe)

Norah Jones

All these many years I've loved you  
No one has ever known  
No one has ever known but you alone  
I've kept it locked inside my heart  
And smiled through all my tears  
My darling, I have loved you oh so many years Each night within my lonely room  
I cry dear, over you  
And pray to God that things will turn out right  
But when the dawn of day appears  
I brush away my tears  
My darling, I have loved you oh so many years I'll go on pretending that my life is oh so gay  
And happy dear without you by my side  
When all the time my heart is  
Longing just to have you near  
My darling I have loved you oh so many years Maybe fate will lead us down a path where we will meet again  
And then we will both be free to love anew  
Then one sweet kiss from your dear lips  
Will banish all my fears  
My darling I have loved you oh so many years  
My darling I have loved you oh so many years
