

# JUST LIKE FIRE

Pink

I know that I'm running out of time  
I want it all  
And I'm wishing they'd stop tryna turn me off  
I want it all  
And I'm walking on a wire, trying to go higher  
Feels like I'm surrounded by clowns and liars  
Even when I give it all away  
I want it all We came here to run it, run it, run it  
We came here to run it, run it, run it Just like fire, burning up the way  
If I could light the world for just one day  
Watch this madness, colorful charade  
No one can be just like me any way  
Just like magic, I'll be flying free  
I'mma disappear when they come for me  
I kick that ceiling, what you gonna say?  
No one can be just like me any way  
Just like fire And people like to laugh at you cause they are all the same  
See I would rather we just go a different way than play the game  
And no matter the weather, we can do it better  
You and me together, forever and ever  
We don't have to worry bout' a thing, bout' a thing We came here to run it, run it, run it  
We came here to run it, run it, run it Just like fire, burning up the way  
If I could light the world for just one day  
Watch this madness, colorful charade  
No one can be just like me any way  
Just like magic, I'll be flying free  
I'mma disappear when they come for me  
I kick that ceiling, what you gonna say?  
No one can be just like me any way Just like fire, fire, fire  
Run it, run it, run it  
We came here to run it, run it, run it So look I came here to run it  
Just cause nobody's done it  
Y'all don't think I can run it  
But look, I've been here, I've done it  
Impossible? Please  
Watch, I do it with ease  
You just gotta believe  
Come on, come on with me Oh, what's you gone do?  
(What, what?)

Hey, what's you gone do?  
(What, what?)  
Oh, what's you gone do?  
(What, what?)  
Oh, what's you gone do? Just like fire, burning up the way  
If I could light the world for just one day  
Watch this madness, colorful charade  
No one can be just like me any way Just like fire, burning up the way  
If I could light the world for just one day  
Watch this madness, colorful charade  
No one can be just like me any way  
Just like magic, I'll be flying free  
I'mma disappear when they come for me  
I kick that ceiling, what you gonna say?  
No one can be just like me any way  
Just like fire, fire  
Run it, run it, run it  
Just like fire  
Run it, run it, run it
