

Are You Ready?!

Devo

Are you ready? action boy now
action girl now
be prepared to climb another mountain
Are you ready? action boy now
action girl now
be prepared to swim across the ocean
Are you ready? be prepared
to fill you plate
be prepared
don't hesitate
be prepared
for a great big bust
be prepared
to do what you must
be prepared
to take a hit
be prepared
to go for it
be prepared
for a sneak attack
be prepared
just don't look back They say, where there's a will there's a way
We've heard, these are the things that they say
So.... Reach out for that big fat star
stick to the groove
and go real far
outrun the ones who steal the Abar (??) Are you ready? action boy now
action girl now
be prepared to blast into the future
action boy now
action girl now
be prepared to rearrange the picture Are you ready?
