# On My Mind

## Mest

My mind thinks in a weird way
Changing a thought from day to day
One day I thought I'd like to
And the next day I just didn't know
The problem is I'm gonna see you
Every day and at every show
But then I see this other girl
My mind went into another world
I think I'm too strange for her
That's why I'm macking you
Too many thoughts in my mind
I think I would rather be blind
'Cause then I wouldn't dream about you
And you wouldn't be on my mind
You're always on my mind
I don't know how to let you know
How I feel about you
I guess I'll just write another song
'Cause that's all I know how to do
And when the tale of crushing's done
And then just write another one
But I don't think this time my arm
Is going to run write
But then I see this other girl
My mind went into another world
I think I'm too strange for her
That's why I'm macking you
Too many thoughts in my mind
I think that I would rather be blind
'Cause then I wouldn't dream about you
And you wouldn't be on my mind
You're always on my mind
I hope you will understand
I hope you can understand
When you are not
You know how to relate
And I hope you will understand
I hope you don't laugh at me
And take this as a joke

I hope you will understand
'Cause believe me this time
These feelings are for real
Too many thoughts in my mind
I think I would rather be blind
'Cause then I wouldn't dream about you
And you wouldn't be on my mind
You're always on my mind, get up
Too many thoughts in my mind
I think I would rather be blind
'Cause then I wouldn't dream about you
And you wouldn't be on my mind
You're always on my mind
You'll always be on my mind
