

Dreams Too Big for Love

Lil Swirl

[Hook 2x]

I don't really care if you don't fxck wit' me.
All these hoes askin' what's up with me.
I've been on some real shxt, I've been chillin'.
I've been on some real shxt, I've been chillin'.
Lookin' for a real *chick, that's how I'm feeling.
Lookin' for a real *chick, that's how I'm feeling.
Really on some real shxt, that's how I'm feeling.
Really on some real shxt.

[Verse 1]

I go get this money.
I do what I got-a when you *people not up.
Don't go to the doctor.
Flow so sick, I just went to the doctor.
Couldn't get a shot up.
I hit 'em wit a spot-up.
I heard you're gettin' money,
well kind-a.
Look where it got us.
Well, didn't I promise my momma I got us.
I make sure all of my *people are still gettin' money
and still gettin' shots up.
'Cause I'm-a get mine, and I'm-a drop thirty,
if you *people still got a problem.
I don't play 'bout this rappin' shxt.
'Cause I've got the magic stick.
When we go to the ship, I am the captain.
I'll get a new whip when the album here.
To all of you haters that doubted this,
I put the top down, I'm out of here.
I'm gettin' this money, I'm proud of it.
If it wasn't my time, Well, now it is.
I'm never on time, but now I'm here.
I'm always 'gon shine if I smile from here.
I'm smokin' some loud, this's how loud it is.
If you *people been 'bout it, I'm 'bout it then.

So, look at me now, shxt crazy.
Look at him, wow, they made it.
I put on for the *people I came with.
Now, I'm ballin' like a young McGrady.
Swirl, you ain't the one to play with.
Unless you *people 'tryna get paper.
I'm smoking on a damn life saver.
I'm so damn high, *I *think might stay here.
So, tell me what the new trend is.
I told you, I'm the new kid, Bih.
I aint even want 'em but I had to.
I aint even want you when I had you.
But now we've got it all, you can come back.
I've just got-a ball. This's a come-back.
I know that I'm-a tell you *rappers one thing.
I'm the best rapper out, if there's a such thing.
Subzero, Subzero.

[Hook 2x]

[Verse 2]

But it came at a price.
I just made this my life.
Now, they hate to-hate to see a [Me].
Go and get a life.
Now we're livin' every night and it's really gettin' nice.
I'm not laughin' at you.
Shxt, I'm just laughin'.
And I'm just mad that,
gettin' money aint a thang, now I'm in the hall of fame.
I aint even got a chain. Can you pass that?
I'm sippin' on this drink like I aint never had that.
Now, I'm gettin' cash, spent a little cash.
Lookin' back. Now, I'm ballin' on these hoes like I've been back.
Swirl, those're clean, damn. Just tell me what you need, damn.
He's just a king in a dream with his team, feeling free.
What'chu mean we aint in the lead?
What'chu mean we aint in the lead?
What'chu mean [Man]? You aint even in a league, shxt.
I miss it a lot. This shxt doesn't stop.
I, just fell in love with a girl but she left.
Swirl gettin' money. You *haters not.
They're pissin' me off. This isn't all. I'm dishin' it off.

I'm kissin' it off the glass. [Well] that was all I had. I shook it off.
