

Never Be the Same

Young Jeezy

hook:

and i ain't looking to the same money no more nigga
you will never be the same no more my nigga
i don't wanna play the game no more my nigga
you will never be the same no more my nigga
now look you're the same money no more nigga
you will never be the same no more my nigga
i don't wanna play the game no more my nigga
you will never be the same no more my nigga and i say this is for the hustlers and every nigga like that
married to the game i'm here to tell you wife dead
you can go to jail or go home is your choice
every nigga from the ghetto dream is the .. choice
on the top floor bad bitch cooking
head it from the back another bad bitch looking
shit pain dreams cautie yeah i wishin
is done with the game beggin up
what's the distance and all the niggas seen in the ..
and broken dreams, broke niggas styles and
there's triple
benz if we're dancing with the devil ..
teach us how to dance when the son of making dollars
is like we never had a ..[hook:]
you niggas think you have no f*ckign idea
i made a heal i made no f*cking ..
my daughter would have dawn rock ..spot
heat it so hard then a nigga need a time clock
nigga over time over grind yeah you know you know me
i try to overshine
yeah that's private than the stars and the sky
give me the ..than them flakes in the pie
lords the recause ..talking i convertable
my heart ..shit and discussing back and ..
for my niggas behind the wall ..
the game got my lock behind the[hook:]
i say what they hittin for
'cause aint' no ..sky high
niggas do bitches do what them ..fly
and forever do this words nigga do die
even thing even birds a real nigga gonna try

the .. century ain't never scared me
im going on my hate that's the ..
they won't stop .. and the shit get ..
got em nigga feeling like em getting slept on
..when the work ..but you can't ..
they say the killers ..
until they buld another case ..
