

Always

Jon Bon Jovi

This Romeo is bleeding
But you can't see his blood
It's nothing but some feelings
That this old dog kicked up It's been raining since you left me
Now I'm drownin' in the flood
You see I've always been a fighter
But without you I give up Now I can't sing a love song
Like the way it's meant to be
Well I guess I'm not that good anymore
But baby that's just me And I will love you, baby
Always
And I'll be there forever and a day
Always I'll be there till the stars don't shine
Till the Heavens burst and the words don't rhyme
I know when I die, you'll be on my mind
And I'll love you, always Now your pictures that you left behind
Are some memories of a different life
Some that made us laugh, some that made you cry
One that made you have to say goodbye What I'd give it to run my fingers through your hair
Touch your lips, to hold you near
When you say your prayers, try to understand
I've made mistakes, I'm just a man When he holds you close, when he pulls you near
When he says the words you've been needing to hear
I'll wish I was him, 'cos those words are mine
To say to you till the end of time And I will love you, baby
Always
And I'll be there forever and a day
Always I'll be there till the stars don't shine
Till the Heavens burst and the words don't rhyme
I know when I die, you'll be on my mind
And I'll love you, always If you told me to cry for you, I could
If you told me to die for you, I would
Take a look at my face, there's no price I won't pay
To say these words to you Well there ain't no luck in these loaded dice
But baby if you give me just one more try
We can pack up our old dreams and our own lives
We'll find a place where the sun still shines And I will love you, baby
Always
And I'll be there forever and a day

Always I'll be there till the stars don't shine
Till the Heavens burst and the words don't rhyme
I know when I die, you'll be on my mind
And I'll love you, always Always, always
I'll be there till the stars don't shine
Till the Heavens burst and the words don't rhyme
Always
