

# Now And Forever

## Agnostic Front

What would I do  
If you took your love away from me  
What would I say  
I could never make it without you

Yes it's true  
I wanna be with only you

Chorus

Now and forever  
You and me together  
I can't believe it's true  
I'm so in love with you

Now and forever  
You and me together  
I wanna be with you  
Now and forever and ever  
Being with you  
Feels like the sun on a Saturday  
Every night  
I find myself dreaming of just you  
Yes it's true  
I wanna be with only you

Chorus
