

The love you save

Michael Jackson

Stop! Na na na! You'd better save it
Stop, stop, stop, you'd better save itWhen we played tag in grade school
 You wanted to be It
 But chasing boys was just a fad
 You crossed your heart you'd quitWhen we grew up you traded
 Your promise for my ring
 Now just like back to grade school
You're doing the same old thingStop! The love you save may be your own
 Darling, take it slow
 Or some day you'll be all alone
You'd better stop! The love you save may be your own
 Darling, look both ways before you cross me
 You're headed for the danger zone
 I'm the one who loves you
 I'm the one you need
 Those other guys will put you down
As soon as they succeedThey'll ruin your reputation
 They'll label you a flirt
 The way they talk about you
They'll turn your name to dirt, ohIsaac said he kissed you
 Beneath the apple tree
 When Benjie held your hand he felt
 ElectricityWhen Alexander called you
 He said he rang your chimes
 Christopher discovered
 You're way ahead of your times
Stop! The love you save may be your own
 Darling, take it slow
 Or some day you'll be all alone
You'd better stop! The love you save may be your own
 Darling, look both ways before you cross me
 You're headed for a danger zoneSlow down
 Slow down
 Slow down
Slow downS is for "Save it"
 T is for "Take it slow"
 O is for "Oh, no!"
P is for "Please, please, don't go!"The love you save may be your own
 Some day you may be all alone

Stop it
Save it, girl

Baby! Ooooh You'd better stop! the love you save may be your own

Please, please

Or some day, some day baby, you'll be all alone I'm the one who loves you
I'm the one you need

Those other guys will put you down as soon as they succeed

Ahh Stop! The love you save may be your own, baby

You'd better stop it, stop it, stop it girl

Or someday you'll be all alone The way they talk about you

They'll turn your name, turn your name to dirt

Stop! The love you save may be your own!

Don't cha know don't cha know

Some day baby you'll be all alone Wait a while

Those other guys will put you down as soon as they succeed
