Crush 40

Whoaaaa whoaaa whoaaa whoaa whoaaaa!Hey all (hey all)
Welcome to the greatest storm
I know (I know)
You have waited much to long
And I (and I)
I will be your shining star
I'm here (I'm here)
Here to conquer near and farLike the sun, I run,
Into the heat of day
Like a knight, I'll fight
Until the fight is wonIn the rage, I'll slay
Each and every
Each and every
Each and every one
'Till this war is wonAnd I live to rule
By the sword
Slashing through the every inch of the power
The power in youAs I sit
As I stand
By the table I command
My kingdomI'm the knight of the windWhoaaaa whoaaa whoaaa whoaa whoaaaa!Hey all (hey all)
Welcome to the end is near
I know (I know)
I will bring you pain and fearOn the ground, to the sky
Faced with you and I
In a flash, I'm gone
Holding your crown high
In a rage, I'll save
Each and every
Each and every
Each and every one
'Till this war is wonAnd I'm meant to rule
By the sword
Slashing through the every inch of the power
The power in youAs I sit
As I stand
By the table I command
My kingdomI'm the knight of the wind
The knight of the wind

I'm the knight of the wind
Our castle is a massive force
A stronghold of power
My armor stays unbreakable
In battle every hour
Whoaaaa whoaaa whoaaa whoaa whoaaaa!
Like the sun, I run
Into the heat of day
Like a knight, I'll fight
Until the fight is won
In the rage, I'll slay
Each and every
Each and every
Each and every one
'Till this war is won
And I live to rule
By the sword
Slashing through the every inch of the power
The power in you
As I sit
As I stand
By the table I command
My kingdom
I'm the knight of the wind
The knight of the wind
