

# Lasso (Lolski Remix)

## Phoenix

Where would you go?  
Not long ago  
I've been thinking out loud  
Why so suddenly?  
Don't you know?  
Don't do it  
What you do  
Oh what you do to me Forever is a long long time  
When you've lost your way  
Trying to follow your ideal  
Oh sorry but your so called life  
It is such a waste Wear your real eyes  
No you don't realize  
What you say yes to  
But you say yes too Where would you go  
Where would you go  
With a lasso?  
Could you run into  
Could you run into  
Could you go and run into me? So lonely so pretty such a lack of diplomacy  
You can't get out  
Don't you know don't do it  
What you do well you should do to me  
Far-out, so far-out  
Such a fall-out  
Not only that you're lonely  
Don't matter if you're not so well  
No you're not so well Where would you go  
Where would you go  
With a lasso?  
Could you run into  
Could you run into  
Could you go and run into me? Tomorrow is a long long time  
When you've lost your way  
Tomorrow is a long long time  
When you've lost your way
