

# Bulletproof Heart

## My Chemical Romance

Gravity don't mean too much to me  
I'm who I've got to be  
These pigs are after me, after you  
Run away like it was yesterday  
And we could run away  
If we could run away, run away from here  
I got a bulletproof heart  
You got a hollow point smile  
We had our run away scars  
Got a photograph dream on the getaway mile  
Let's blow a hole in this town  
And do our talking with the laser beam  
Coming out of this place in a bullet's embrace  
Then we'll do it again  
How can they say, Jenny could you come back home?  
'Cause everybody knows you don't  
Ever wanna come back, let me be the one to save you  
Gravity don't mean too much to me  
I'm who I've got to be  
These pigs are after me, after you  
Run away like it was yesterday  
When we could run away  
When we could run away, run away from here  
I'm shooting out of this room  
Because they sure don't like the company  
You stop your preaching right there  
'Cause I really don't care and I'll do it again  
So get me outta my head  
'Cause it's getting quite cramped, you know  
Coming ready or not, when the motor gets hot  
We can do it again  
The papers say, Johnny won't you come back home?  
'Cause everybody knows you don't wanna give yourself up  
Tell the truth and God will save you  
Gravity don't mean too much to me  
I'm who I've got to be  
These pigs are after me, after you  
Run away like it was yesterday  
And we could run away  
And we could run away, run away from here  
And though I know how much you hate this  
Are you gonna be the ones to save us  
From the black and hopeless feeling?  
Will you meet 'em when the end comes reeling?  
Hold your heart into this darkness  
Will it ever be the light to shine you out  
Or fall and leave you stranded?  
I ain't gonna be the one left standing?  
You ain't gonna be the one left standing  
We ain't gonna be the ones left standing  
Gravity don't mean too much to me  
Is this our destiny?  
This world is after me, after you  
Run away like it was yesterday

And we could run away, run away, run away

Run away from here, yeah

Away from here, away from here
