# Beloved

## Thinking Plyers

When no one wants to know you, wants to claim you
Or look deep in your eyes
When those you love give you up, hurt you so bad
You can't stand to fight
Well, I've known that darkest hour
That's where I found true love
Jesus lifted me from the dead of night
And He'll never give me up
I'm his beloved and He's mine
Nothing can separate, no space, no time
No death, no life, no person, no power
So strong is the love of my Heavenly Father
I'm His beloved
There are days when I look away, for a moment I stray
But He's always there waiting
There are times I look in His eyes with tears filling mine
And He reaches to hold me
Through the constant pounding on my door
From this age and its deceit

I will cry to God from my heart of hearts
He is all the strength I need
I'm his beloved and He's mine
Nothing can separate, no space, no time
No death, no life, no person, no power
So strong is the love of my Heavenly Father
Well, I can't make sense of it
But it's my security
Nothing can separate the love
The love He has for me
I'm his beloved, He's mine
Nothing can separate, no space, no time
No death, no life, no person, no power
So strong is the love of my Heavenly Father
I said, no death, no life, no person, no power
So strong is the love of my Heavenly Father
I'm His beloved
I'm His beloved, beloved
