

# GOD.

## Kendrick Lamar

This what God feel like, yeah  
Laughing to the bank like aha, yeah  
Flex on swole like aha, yeah  
You feel some type of way then, aha, yeah Ever since a young man  
All I want to be was a gunman  
Shooting up the charts, better run man  
Ya'll gotta see that I won, man  
Slick as El DeBarge with the finger waves, work it, JT  
Handle bars like a fade, watch me work it, JT  
I'm at large, running plays like a circuit, JT  
I'm selling verses, Jay Z, watch me work it, JT  
Look, look, hold up  
Don't judge me, my mama caught me with a strap  
Don't judge me, I was young, fucking all the brats  
Don't judge me, aiming at your head for a stack  
Don't judge me, don't judge me  
Now my home got a Valley peak  
Don't judge me, if I press your line, you a freak  
Don't judge me, won't you tell a friend y'all gon' see  
This what God feel like, yeah  
Laughing to the bank like aha, yeah  
Flex on swole like aha, yeah  
You feel some type of way then, aha, yeah Fuck is you talking to?  
Aye, do you know who you talking to?  
Slide on you like fallen drapes  
God toss full of carnivals  
I kill 'em with kindness  
Or I kill 'em with diamonds  
Or I put up like fifteen hundred  
Get your ass killed by the finest  
Everything life is a gamble  
Nothing in life I can't handle  
Seen it all, done it all, felt pain more  
For the cars, I done put blood on sword  
Everything I do is to embrace y'all  
Everything I write is a damn eight ball  
Everything I touch is a damn gold mine  
Everything I say is from an angel  
I don't rush shit, fuck shit, always your shit, my shit

Cannonballs to ignite shit  
Morning to the night shift, I'm on  
I ain't sorry for it, ask for a piece of mine  
You charged me for it  
I wanna see sometimes if you ignore it  
I'm in the streets sometimes and can't afford it  
I got a bad habit, levitate, ducking haters  
Oh my, my heart is rich, my heart is famous This what God feel like, yeah (this what God feel like)  
Laughing to the bank like aha (this what God feel like)  
Yeah (this what God feel like)  
Flex on swole like aha (this what God feel like)  
Yeah (this what God feel like)  
You feel some type of way then, aha  
(This what God feel like)  
This what God feel like  
Yeah (This what God feel like)  
This what God feel like
