

# Walk It Back

R.E.M.

Walk it back  
Walk it back  
Walk it back What, what would you have had me say  
Instead of what I said?  
Where, where would I go?  
How could I follow that  
Except to do what I did which is to Walk it back  
Walk it back  
Walk it back Time  
Reverse and rewind  
Erase and revise  
And try to start again You, don't you turn this around  
I have not touched the ground in  
I don't know, how long?  
You say to Walk it back  
Walk it back  
Walk it back Walk it back  
Walk it back  
Walk it back Time, time  
Time, it cannot abide  
You, you can't turn away  
You've asked me to stay  
But something needs to change  
Why can't you? Walk it back  
Walk it back  
Walk it back Walk it back  
Walk it back  
Walk it back
