She be constantly douching and cleaning her pussy

And when she step on the scene everybody be looking

But she only want players who far from rookie

And if you ain't got the cake, can't play with the nookie

Her titties sitting pretty and she soft as a cushion

If you try to holla she might holla she tooken

And she walk like a bad bitch, talk like a bad bitch

And go and get her hair and shit fixed is a habit

Now bad bitch go and buy Finch more than average

And bad bitches get to take trips with the savage

Can never tell a bad bitch a freak she too classy

But shit I can tell from her lips that she nasty

You get a lot of head when your bread in piles
'Cuz I'm on right now and I'm saying that loud
A trifling ass bitch make the big dog growl
A bad ass bitch make the big dog proud
Which one is the baddest, that's the one I'm having
The one with no kids or just one baby daddy
And she ain't hard-headed, can listen and respect it
And you ain't a bad bitch if you got bad credit
A thong and press-ons and know how to cook neckbones
I want the MVP with that throwback dress on
Don't like to get dirty and don't mind working
And she don't mind giving me some mouth and lip service
