

Anyway

Journey

A place in time can make the grind
Fall out when you want to
Anyplace, anytime All the world loves another
You know you can't find no other
Still I'm gonna love you, yeah Anyway, anyway, anyway, anyway Dark eyed one, are you havin' fun
Come on out with your play toys
You got the blues on the run All the world loves another
You know you can't find no other
Still I'm gonna love you, yeah Yes, I'm gonna love you
Anyway, yeah yeah yeah
No, no, no, no, no, no, no, no Feelin' low, how I loved you so
Cut out all your teasin'
You may never know All the world loves another
You know you can't find no other
Still I'm gonna love you, yeah Yeah, yes I know
Anyway, anyway, anyway, anyway
Anyway, anyway, anyway, anyway
Anyway, anyway, anyway
