

# They Don't Know

Eljai

They don't know what that scar 'bout  
They don't know what that bar 'bout  
They don't know what that candy car 'bout  
Or smokin' that joint 'bout  
Texas is the home of the playas and pimps  
Showin' naked ass in the great state of Texas  
Third Coast Born, I mean we're Texas raised  
Texas muthafucka, that's where I stay, all ready  
What you know 'bout swangaz and vogues?  
What you know 'bout purple drank?  
What you know 'bout poppin' trunk  
Neon lights, candy paint?  
What you know 'bout white shirts  
Starched down jeans with a razor crease  
Platinum and gold on top our teeth  
Big ol' chains with a iced out piece?  
You don't know 'bout Michael Watts  
You don't know 'bout DJ Screw  
What you know 'bout, man, hold up  
I done came down and what it do?  
They don't know 'bout P.A.T  
What you know 'bout Free Pimp C?  
What you know 'bout the Swishahouse, man?  
What you know 'bout the S.U.C?  
We keep it playa, ain't no fake  
When we holdin' plex whenever haters hate  
We listen to music, screwed and chopped  
Down here in this Lonestar state  
Outta towners be comin' around  
Runnin' they mouth and talkin' down  
But you don't know nuthin' 'bout my town  
Either hold it down or move around  
They don't know what that scar 'bout  
They don't know what that bar 'bout  
They don't know what that candy car 'bout  
Or smokin' that joint 'bout  
Texas is the home of the playas and pimps  
Showin' naked ass in the great state of Texas  
Third Coast Born, I mean we're Texas raised

Texas muthafucka, that's where I stay

(Mike Jones)

Me and Paul we actin' a fool  
When screens fall I'm packin' a tool  
I'm Texas raised, Texas made  
We grind daily, no minimum wage  
I represent the home of candy cars  
Screw music and purple bar  
Trunk bangin', fifth hangin'  
84's and vogue swangin'  
Belt-buckles we wear in Texas  
Rag-tops lay down on Lexus  
Diamonds shinin' from grillin' necklace  
Haters hate, 'cuz we well respected  
Paul Wall and Mike Jones  
Who one of the throwedest on the microphone  
We sittin' high on twenty inch chrome  
Tryin' to get our shine on  
I said, Paul Wall and Mike Jones  
Who one of the throwedest on the microphone  
We sittin' high on twenty inch chrome  
Tryin' to get our shine on  
I crack a smile and show platinum mouth  
Every time I rap I rep Swishahouse  
I spit a verse and head straight to the vaults  
Five G's for me to even open my mouth  
They don't know what that scar 'bout  
They don't know what that bar 'bout  
They don't know what that candy car 'bout  
Or smokin' that joint 'bout  
Texas is the home of the playas and pimps  
Showin' naked ass in the great state of Texas  
Third Coast Born, I mean we're Texas raised  
Texas muthafucka, that's where I stay  
All Ready, hold on, hold up a second  
'Cuz boys comin' down blue or red  
Down here pimpin' ain't dead  
Grindin' daily to stack my bread  
I from the place where girls jump fly  
Now a days the brauds pimp brauds  
'Cuz they got more game then most these guys  
You'll get set up and then you'll get robbed  
You don't know 'bout chunkin' a deuce  
You don't know 'bout a southside fade  
Down here we be ridin' D's

But you don't know about choppin' blades  
Texas southern or Prairie View  
What you know 'bout battle of the bands  
Down here we got ghetto girls  
Like wings, chicken or Timmy Chan's  
You can catch me ridin' swangs  
What you know 'bout sippin' syrup  
You don't know 'bout pourin' it up  
Purple drank some speeches slurred  
You don't know 'bout the way we talk  
Boys say we got country words  
But I don't really care what you heard  
'Cuz you don't know 'bout the dirty third  
They don't know what that scar 'bout  
They don't know what that bar 'bout  
They don't know what that candy car 'bout  
Or smokin' that joint 'bout  
Texas is the home of the playas and pimps  
Showin' naked ass in the great state of Texas  
Third Coast Born, I mean we're Texas raised  
Texas muthafucka, that's where I stay  
Texas muthafucka, that's where I stay  
Texas muthafucka, that's where I stay
