

Talk

Coldplay

Oh brother, I can't, I can't get through
I've been trying hard to reach you 'cause I don't know what to do
Oh brother, I can't believe it's true
I'm so scared about the future, and I wanna talk to you
Oh, I wanna talk to you You can take a picture of something you see
In the future where will I be?
You can climb a ladder up to the sun
Or a write a song nobody has sung
Or do something that's never been done Are you lost or incomplete?
Do you feel like a puzzle, you can't find your missing piece?
Tell me, how do you feel?
Well, I feel like they're talking in a language I don't speak
And they're talking it to me So you take a picture of something you see
In the future where will I be?
You can climb a ladder up to the sun
Or write a song nobody has sung
Or do something that's never been done
Or do something that's never been done So you don't know where you're going and you wanna talk
And you feel like you're going where you've been before
You tell anyone who'll listen, but you feel ignored
Nothing's really making any sense at all, let's talk
Let's talk, let's talk, let's talk
