

# Limb by Limb

## Phish

The shoulder that I leaned on was carved out of stone  
But when I'm done freezing, I want to be alone  
Never want my hand cut off  
Never want a hacking cough  
Never need a cliff side push  
Never turn my brain to mush  
Always give me what I lack  
Always take the best parts back  
Always recognize your fate  
Always just a moment late  
Left is where I always turn  
Left is how I'm forced to learn  
Left the route my walking takes  
Left alone with my mistakes  
Up against the person who  
Up 'til now I never knew  
Up from Hell the answer blew  
Up or down it's up to you  
Drop me off the Chinese wall  
And peel my fingers off the rim  
I come unglued while in midair  
And land to reform limb by limb  
(And I am taken far away)  
Lingering slowly melting away  
(And I am taken far away)  
Tossed with the salad and baled with the hay  
(And I am taken far away)  
Pooling the water that drips from above  
(And I am taken far away)  
Trampled by lambs and pecked by the dove  
Drop me off the Chinese wall  
And peel my fingers off the rim  
I come unglued while in midair  
And land to reform limb by limb
