Oort Cloud

Shock, shock
Shock, shockWelcome to my world
Headfirst to the earth
With my sights on the goddamned kill switch
I've become a fuse charged with attitude
Fixed and dialated by my angerI have become a
 Direct
 I have become a
 Current
 I have become a
 Direct
 I have become
 InsurgentI will be a power surge
 Shock to the system
 Electrified, amplified
 Shock to the system
 Shock, shockAlternate my wires
 Heat my core desire
 I will not stand for condemnation
 I've become the volts to lead the revolt
 Fuck with me ensues certain dangerI have become a
 Direct
 I have become a
 Current
 I have become a
 Direct
 I have become
 InsurgentI will be a power surge
 Shock to the system
 Electrified, amplified
 Shock to the systemI will be a power surge
 Shock to the system
 Electrified, amplified
 Shock to the systemI am the power surge
 I am the insurgent
 Electrified, amplified
 Electrified, amplified
 Shock, shock
 Shock, shock

Shock to the system
