Advisory - the following lyrics contain explicit language:

(It ain't no secret)
I'm real, my city so raw
I'm this, I'm that
I'm all of the above
(It ain't no denying)
I'm right, I'm feeling myself for you
It ain't no secret
La lalala lalalala
Said it ain't no secret
La lalala lalalala
Said it ain't no secretI've been waiting too long, been humble for a minute
The road to success, they say you stumble just to get it
I got the torch and started runnin' wid it
'Cause them other niggas that had it ain't do nuttin' wid it
Came up in the riches but it ain't Virginia
Where you gotta watch the people that be hangin' with ya
Know that shit so well that I could paint a picture
Blindfolded and I pray that I can stay consistent
Uh, cause fallin' off is a bitch
But I'mma work like fallin' off don't exist
Take a look at my click, heartbreakers, I've been bangin' it since
Takin' off on those who go against(It ain't no secret)
I'm real, my city so raw
I'm this, I'm that
I'm all of the above
(It ain't no denying)
I'm right, I'm feeling myself for you
It ain't no secret
La lalala lalalala
Said it ain't no secret
La lalala lalalala
Said it ain't no secretYou know women we the weather sippin' Ciroc or Mereta

Far as these rap niggas, you won't find noboy betta than me
Don't believe me? Take a flight here and see
I see the Forbes list like this where I need to be
I was a youngin' on his grind, mind on money
Wit his side kick thirsty tryna aim young honeys
Now I aims to the top, neva change, neva stop
I was a good kid, never had to hang on the block
But the hood still cheering for him, burb' still cheering for him
Made it out the Bay and overcame, let's hear it for him
But neva forgettin' where I came from
Came in the game with the gang, neva change, huh(It ain't no secret)
I'm real, my city so raw
I'm this, I'm that
I'm all of the above
(It ain't no denying)
I'm right, I'm feeling myself for you
It ain't no secret
La lalala lalalala
Said it ain't no secret
La lalala lalalala
Said it ain't no secret
It ain't no denying no
This ain't no secret
La lalala lalalala
Said it ain't no secret
La lalala lalalala
