Sunshine

Goth Babe

You took my hand, I let you shine
Feet in the sand, your heart is mine.

Cause your my, sunshine.
Cause your my, sunshine.
Cause your my, sunshine.
Cause your my sunshine.

You won't let go, I thought you would.
You told me no, you knew I'd stay.

Cause your my, sunshine.
Cause your my, sunshine.
Cause your my, sunshine.
Cause your my, sunshine.
