Weightless

Local Sound

My faith is the door to your world
Your way is the way to feel
Opposite to what I see
Opposite to what I see

I find you in my wildest dreams
Like a new reality
You are my gravity
You are my gravity

Weightless above the clouds
Love is the sound
Iâ€™m falling, Iâ€™m falling (for you)
Iâ€™m falling, Iâ€™m falling (for you)

Caught up in heaven now
Weightless and bound
Iâ€™m falling, Iâ€™m falling (for you)
Iâ€™m falling, Iâ€™m falling (for you)

Building my life in Your name
Stealing my heart with your Grace
I can feel you here with me
I can feel you here with me

I find you in my wildest dreams
Like a new reality
You are my gravity
You are my gravity

Weightless above the clouds
Love is the sound
Iâ€™m falling, Iâ€™m falling (for you)
Iâ€™m falling, Iâ€™m falling (for you)

Caught up in heaven now
Weightless and bound
Iâ€™m falling, Iâ€™m falling (for you)
Iâ€™m falling, Iâ€™m falling (for you)

Sometimes it feels
Too good to be real
Your love
Reversed my failure

Now I let go
Trust you and know
You hold
You hold my future

Weightless above the clouds
Love is the sound
Iâ€™m falling, Iâ€™m falling
Iâ€™m falling, Iâ€™m falling (for you)

Weightless above the clouds
Love is the sound
Iâ€™m falling, Iâ€™m falling (for you)
Iâ€™m falling, Iâ€™m falling (for you)

Caught up in heaven now
Weightless and bound
Iâ€™m falling, Iâ€™m falling (for you)
Iâ€™m falling, Iâ€™m falling (for you)
