Day Too Soon (Mock & Toof Edit)

Sia

Pick me up in your arms
Carry me away from harm
You're never gonna put me downI know you're just one good man
You'll tire before we see land
You're never gonna put me downI've been running all my life
I ran away, I ran away from good
Yeah, I've been waiting all my life
You're not a day, you're not a day too soonHoney, I will stitch you
Darling, I will fit you in my heart
Honey, I will meet you
Darling, I will keep you in my heartYou'll risk all this for just a kiss
I promise I will not resist
Promise you won't hold me downAnd when we reach a good place
Let's be sure to leave no trace
Promise they won't track us downNow I've been running all my life
I ran away, I ran away from good
Yeah, I've been waiting all my life
You're not a day, you're not a day too soonHoney, I will stitch you
Darling, I will feel you in my heart
Honey, I will meet you
Darling, I will keep you in my heartI've been running all my life
I ran away, I ran away from good
Yeah, I've been waiting all my life
You're not a day, you're not a day too soonHoney, I will stitch you
Darling, I will feel you in my heart
Honey, I will meet you
Darling, I will keep you in my heartHoney, I will stitch you
Darling, I will feel you in my heart
Honey, I will meet you
Darling, I will keep you in my heartHoney, I will stitch you
Darling, I will feel you in my heart
Honey, I will meet you
