

No More Tears

Black Label Society

The light in the window is a crack in the sky
A stairway to darkness in the blink of an eye
A levee of tears to learn she'll never be coming back
The man in the dark will bring another attack
Your mamma told you that you're not supposed to talk to strangers
Look in the mirror and tell me do you think your life's in danger here
No more tears, tears, tears
No more tears, tears, tears
No more tears, tears, tears
Another day passes as the night closes in
The red light goes on to say it's time to begin
I see the man around the corner waiting, can he see me?
I close my eyes and wait to hear the sound of someone screaming here
No more tears, tears, tears
No more tears, tears, tears
No more tears, tears, tears
It's just a sign of the times
Going forward in reverse
Still, these were our first
It's just a hand in the bush
A hand in the bush
So now that it's over can't we just say good-bye? (bye-bye, bye-bye)
I'd like to move on and make the most of the night
Maybe a kiss before I leave you this way
Your lips are so cold I don't know what else to say
I never wanted it to end this way my love, my darling
Believe me when I say to you in love I think
I'm falling here
No more tears, tears, tears
It's just a hand in the bush
(In the bush, in the bush, in the bush)
