Blue Orchid

Citrus Sun

You got a reaction
You got a reaction didn't you?
You took a white orchid
You took a white orchid turned it blue

Something better than nothing
Something better than nothing, it's giving up
You need to do something
Try keep the truth from showing up

How dare you
How old are you now, anyway?
How dare you
How old are you now, anyway?

How old are you
How old are you now, anyway?

You're given a flower
But I guess that there's just no pleasing you
Your lips tastes sour
But you think that it's just me teasing you

You got a reaction
You got a reaction, didn't you?
You took a white orchid
You took a white orchid turned it blue

Get behind me
Get behind me now, anyway
Get behind me
Get behind me now, anyway

Get behind me
Get behind me now, anyway

You got a reaction
You got a reaction, didn't you?
You took a white orchid

You took a white orchid turned it blue
