

# Who Taught You How to Love

## King Dude

(Instrumental Intro)

I met her in L.A.  
She said sheâ€™s gonna be a movie star someday.  
(Well she knows how to act the part,  
thatâ€™s for sure.)  
She said she canâ€™t fall in love.  
She said sheâ€™s never kissed a man before.  
(Thatâ€™s when she took her clothes off,  
And got in the backseat of my car.)

Chorus:

Who taught you how to love like that?  
Itâ€™s a one-way ticket to a heart attack.  
I wonder if sheâ€™s coming back in my life?

Thatâ€™s when she told me to drive.  
She said she didnâ€™t care where we go.  
She said she doesnâ€™t feel alive (anymore).

She was looking at death.  
But she only looked 18-years-old.  
I wonder if sheâ€™s coming back (in my life)?

Chorus:

Who taught you how to love like that?  
Itâ€™s a one-way ticket to a heart attack.  
I wonder if sheâ€™s coming back in my life?

Who taught you how to kiss this way?  
If you were born like this, baby, I will kneel and pray,  
And thank the lord above for what he made every night.

(Who taught you how to love?)  
(Who taught you how to love love love?)  
(Who taught you how to love?)  
Who taught you how to love love love?

Chorus:

Who taught you how to love like that?

It's a one-way ticket to a heart attack.  
I wonder if she's coming back in my life?

Who taught you how to kiss this way?  
If you were born like this, baby, I will kneel and pray,  
And thank the lord above for what he made every night.

Who taught you how to love?  
Who taught you how to love love love?  
Who taught you how to love?  
Who taught you how to love?
