Rusty Cage (edit)

Soundgarden

You wired me awake
And hit me with a hand of broken nails
You tied my lead and pulled my chain

To watch my blood begin t boilBut I'm gonna break I'm gonna break my I'm gonna break my rusty cage and runYeah I'm gonna break I'm gonna break my I'm gonna break my rusty cage and runToo cold to start a fire

I'm burning diesel burning dinosaur bones

I'll take the river down to still water and ride a pack of dogsBut I'm gonna break I'm gonna break my I'm gonna break my rusty cage and runHit like a Phillips head into my brain

It's gonna be too dark to sleep again

Cutting my teeth on bars and rusty chains

I'm gonna break my rusty cage and runWhen the forest burns along the road

Like God's eyes in my headlights

When the dogs are looking for their bones

And it's raining ice picks on your steel shoreI'm gonna break I'm gonna break my I'm gonna break my rusty cage and runI'm gonna break I'm gonna break my I'm gonna break my rusty cage and run
