Amazing Grace

Lizz Wright

Amazing grace, how sweet the sound
That saved, that saved a wretch like me
I once was lost but now I'm found
Was blind but now I seeThrough many dangers, through many toils
And many, many, many snares, I have already come
'Twas grace that brought me safe thus far
And grace will lead me homeWhen we've been over there for ten thousand
For ten thousand years, bright shining as the sun
We will have no, no less, no less days to sing
To sing the Lord's praise than when we first began
