

# Crazy (Baby)

**Rahsaan Patterson**

CooCoo CooCoooooo  
CooCoo CooCoooooo  
It's a bit like walking, walking on water  
Bumper to bumper in traffic  
Seeing God on a corner  
Once in a while the butterflies tie me up  
Turn me on like you  
Skipping galaxies to lay you down to land upon the surface of your moon  
Soooooooooo  
CooCoo CooCoo  
Call me love crazy crazy crazy crazy baby  
CooCoo CooCoo  
I wanna love crazy crazy crazy baby baby  
Love  
I fly like a martian  
Waking up on fire  
Syncopated in motion waiting on your prize  
In the science of anatomy I've done the job and made me nude  
I'm lost in a song that never dies and every note depends on you  
Soooooooooo  
Ooooooh  
I'm in love  
I'm in love crazy crazy crazy crazy baby  
Im in love  
CooCoo CooCoo  
I wanna love crazy crazy crazy baby baby  
Baby baby baby baby  
Give me some of baby and I won't let go  
Give me some of baby and I won't let go  
Oooooh ooooooh
