

Karaoke Overkill

Robbie Williams

We're all so chic living in class A
Partying and search sweet sorrow today
When you don't know who your friends are
And neither do they
We're all so amused
And maybe it's better that way
She's been seen with him
He's been seen with her
Happy propaganda
Just as their 5 current sur
Sing my way of meaning
Karaoke overkill

We all should know better
But I bet we never will
We're insecure, making me think
I'm not fit to laze your dream
I've seen you in my bayer
You're a real player
Taking it easy, taking it easy
We all know we shouldn't
And that is why we do it
Here's smuggler's house
Why don't you come and view it
Sing my way of meaning
Karaoke overkill

We all should know better
But I bet we never will
The sooner the better
I'll send you a letter

Hanging with your sister
Playing naked twister
Down to your joker
Playing strip poker
Give us a clue of
Seeing the night through
And you're so kain

This song ain't about you

Hanging with your sister
Playing naked twister
Down to your joker
Playing strip poker
