

Keep It Close (feat. Kerli) (OST Sense8 1x10)

Seven Lions

Through the thunder
Through the rain
Dreading battlefields
Say you'll remainKeep it close
Stay coldKeep it close
When they're coming for us
When they're coming for us
Stay cold
Stay coolKeep it close
Stay coldBruised in ashes
In the dust
Hold your miracles
Glimmering through the rustKeep it close
When they're coming for us
When they're coming for us
Stay cold
When they're coming for us
When they're coming for usStay cool
