

# Save the Company

## Guided By Voices

Hamilton lobby  
In the subway naked  
I know you're lost  
Too bad he answered  
Your ripening diamonds  
are gone Save the company  
For one last Sunday  
She's nearly dead and buried  
But let's dig her up tonight  
So endlessly rescue  
And may wish to run  
To the gold for your teeth  
It's great to be proud  
To a thicker applause  
Shall we meet To save the company...  
He who controls the past  
Is coming up soon from the rear  
We're waiting to hear from you To save the company...
