Be With You

Enrique Iglesias

Monday night and I feel so low
Count the hours they go so slow
I know the sound of your voice
Can save my soulCity lights, streets of gold
Look out my window to the world below
Moves so fast and it feels so cold
And I'm all aloneDon't let me die
I'm losing my mind
Baby just give me a signAnd now that you're gone
I just wanna be with you
And I can't go on
I wanna be with you
Wanna be with youI can't sleep I'm up all night
Through these tears I try to smile
I know the touch of your hand
Can save my lifeDon't let me down
Come to me now
I got to be with you some howAnd now that you're gone
I just wanna be with you
And I can't go on
I wanna be with you
Wanna be with youDon't let me down
Come to me nowI got to be with you somehow
And now that you're gone
Who am I with-out you now
I can't go on
I just wanna be with youAnd now that you're gone
I just wanna be with you
And I can't go on
I wanna be with you
Wanna be with youJust wanna be with you
And I can't go on
I wanna be with youJust wanna be with you
Just wanna be with youJust wanna be with you
Just wanna be with you
