## Low G

Young people

Welcome to the close heaven[Incomprehensible]and ministry tonight

Won't you please turn in your hymnals to page 333

Sister Mildred, we're gonna play free at last

Free at last, thank God Almighty

Free at last, free at last

I thank God, I'm free at last

Free at last, free at last

I thank God, I'm free at last

Have you heard?

Listen carefully

I can't stop

Free, free, I'm free at last

I thank God Almighty, I'm free at last

Free, free, I'm free at last

I thank God Almighty, I'm free

'Cause I'm free, free at last

And I'm free, from my past, and I'm free

Free from sin, and I'm free

And I ain't going back again

Shackles had me down but he gave me a new sound

So reclaim my name from the lost and found

Ya see, something's got me jumpin' and I think it's the way

That he can take a hard man and turn him into soft clay

Out of the darkness, the father has sparked this

The spirit's alive while the flesh is a carcass

If you're seriously curious about my past

Well I once was lost but I'm free at last

Free, free, I'm free at last

I thank God Almighty, I'm free at last

Free, free, I'm free at last

I thank God Almighty, I'm free

'Cause I'm free, free at last

And I'm free, from my past, and I'm free

Free from sin, and I'm free

And I ain't going back again

Oppression was in session and my life was the term

But when I heard about the word I was willing to learn

About a flavor I could savor and a brighter tomorrow

'Cause this could never be endeavored by a wish on a star  
The father first receives us, the truth then frees us  
Forgiven, now I'm living like a man full of Jesus  
It was hell until I fell upon my knees and prayed  
But now the yoke that I was toton' has been taken away  
Free, free, I'm free at last  
I thank God Almighty, I'm free at last  
Free, free, I'm free at last  
I thank God Almighty, I'm free  
'Cause I'm free, free at last, free  
From my past, free from sin, and I'm free  
And down on my knees when my life passed me by  
And I ain't, no I ain't going back again  
F R to the E E  
L A to the S T  
Out of the darkness, the father has sparked this  
The spirit's alive while the flesh is a carcass  
If you're seriously curious about my past  
Well, I was once lost but I'm free at last  
I'm here to tell you what he did for me and  
I'm here to tell you that he set me free and  
I know that he can do the same for you, too  
He did it, I'm wit' it, so come and get it to be free at last  
Free, free, I'm free at last  
I thank God Almighty, I'm free at last  
Free, free, I'm free at last  
I thank God Almighty, I'm free  
Free, free, I'm free at last  
I thank God Almighty, I'm free at last  
Free, free, I'm free at last  
I thank God Almighty, I'm free  
When all of God's children, black men and white men  
Jews and gentiles, protestants and catholics  
Will be able to join hands and  
Sing in the words of the old negro spiritual  
Free, free, I'm free at last  
I thank God Almighty, I'm free at last  
Free, free, I'm free at last  
I thank God Almighty, I'm free  
'Cause I'm free, free at last, 'cause I'm free  
I'm free, I'm free, I'm free, I'm free, I'm free  
Down on my knees when my life passed me by  
And I ain't, no I ain't going back again  
I thank God I'm free  
Free at last, free at last

I thank God Almighty, we are free at last
