

She Don't Love You (like I Love You)

Dolly Parton

She don't love you like I love you
'Cause if she did, she wouldn't break your heart, no
She don't love you like I love you
She's tryin' to tear us apart Fare thee well, I know you're leavin'
For the new love that you found
The pretty girl that you've been dating
Oh, I've got a feeling, she's gonna put you down 'Cause she don't love you like I love you
'Cause if she did, she wouldn't break your heart, love
She don't love you like I love you
She's tryin' to tear us apart She uses all the great quotations
She says, all the things I wish I could say
But she's had so many rehearsals
Oh, to her it's just a lover's play But wait when the final act is over
And you're left standin' all alone
When she takes her bow and makes her exit
Oh well, I'll be there to take you home She don't love you like I love you
'Cause if she did, she wouldn't break your heart
She don't love you like I love you
She's tryin' to tear us apart She don't love you like I love you
If she did, she wouldn't break your heart
