Draw Me Close

Kutless

Draw me close to You, never let me go
I lay it all down again
To hear you say that I'm Your friend
Help me find a way, to bring me back to YouYou're all I want
You're all I've ever needed

You're all I want

Help me know You are nearYou are my desire, no one else will do No one else, could take Your place

To feel the warmth of Your embrace

Help me find a way, to bring me back to YouYou're all I want

You're all I've ever needed

You're all I want

Help me know You are nearDraw me close to You, never let me go I lay it all down again

To hear you say that I'm Your friend
Help me find a way, to bring me back to YouYou're all I want
You're all I've ever needed

You're all I want

Help me know You are nearYou're all I want You're all I've ever needed You're all I want

Help me know You are near Help me know You are near
