

# Rich Woman

**Boz Scaggs**

I got a woman with plenty money  
She got money and I got the honey  
Called my baby late last night  
She told me daddy, the things are alright  
I don't have to worry about what she will find  
I know my baby  
She's all my mineInstrumentalShe's getting me a Cadillac and a diamond ring  
So told me Daddy, don't you worry about a thing  
She's all my mine  
And I'm so glad  
She the best woman that I ever had
