

Just Ask Me To (Boyz N' The Hood Soundtrack)

Tevin Campbell

[Tevin Campbell:]

You know it G

First of all let's make it clear, I'm a strong young man

Takin' no shorts ya see, yeah

So if you plan on makin' waves, it's just a waste of time

You should face reality, yeah (check this out)

I don't want you to think that I'm afraid or shy (uh-uh)

Naive I will never be (you know it G)

I just want a friend so I can hold her hand

Come on baby, and get with me, yeah(Just ask me to) Just ask me to

(I'll be with you) I'll be with you

(And ohhhhhhhhhh, so much as your friend)

(If you walk with me) If you walk with me

(I'll walk with you) I'll walk with you

(And ohhhhhhhhhh, so much as your friend)(Forget, those people talking trash

Just jet up and just leave

Girl it's not too late) It's not too late, it's not too late(Baby, take Tevin by the hand)

(I'm sure you'll understand) I'm sure you'll understand

(Lady this is fate) Ohhh, ohhh(Don't, be afraid) T.C. one time now

I'm not here to goof around (So zero that thought, hehe)

You should understand that G (Aww yeah baby)

You can make all the times the way that you want

But I won't let you play yourself, no not for me, yeah(Don't) Don't (Be afraid) be afraid

(We've got, it made, we do) We've got it made we are

(It feels, so good) So goood

(That you know, we have, nowhere, to go)[Chubb Rock:]

Check it out

Yo check, check, Atomic Tevin, I know you really feel like

You're in Heaven your grill's a 7 and your bio reads 11

(What you mean G?) If you really want to see, don't pretend

To be all cute, she knows you got loot

Not Al B. can convince me that you're naive

The squabs will perceive...

... Your position, rationalize who you are

Tevin Campbell get souped, you're a star

She said, "Can you tell me where we're going to?"

To my crib for a few

Don't get sexual, sexual means have

If she's on that program, that's what

Your staff is for, she mighta been around the world
And I, I, I, I (what?!)
You might find your baby, and if not
You can come to my crib, I'm Chubb Rock, peace
(Peace)[Tevin Campbell:]
(Just ask me to) Just ask me to
(I'll be with you) I'll be with you
(And ohhhhhhhhhh, so much as your friend)
