Brown Envelope

Aaron Dillon

Well I'm so good and talking
I know all the big wig words
Educated mad men born to rule the world
Of all the words I know
There's only one I need
The only one I heed is greed

So leave me a note
In a brown envelope
And I'll happily oblige
Happily oblige

When I was a young boy
I was nurtured and I was fed
They filled up my open mind
Closed mindedness instead
How I've come a long way
A long way from where I'm from
They've given me a promotion now
So I can drop the bomb

Leave me a note
In a brown envelope
And I'll happily oblige
Happily oblige

Now I'm happy killing
Drilling, oil spilling
Sinning, then spinning
Chasing younger women
Well I got the shock of my life
When I heard that my wife
Took all it is I earn
Ran away with my intern

Leave me a note
In a brown envelope
And I'll happily oblige
Happily oblige

Well I'll take away your liberties
And I'll empty out your soul
There's no hiding from me
In the masses I control
And I've got my henchmen
They know to toe the line
You know I'll get away with it
There's no time for corporate crime

Leave me a note
In a brown envelope
And I'll happily oblige
Happily oblige

During my inauguration
I lied to the nation
About all the dreams we're chasing
Because that's my vocation
My name is not democracy
My aim is not to serve
My name it is tyranny
Judgement Day is what I deserve

And I'm working for the devil
And he works for me
He works for the love of it
But I won't work for free
There's one word I don't understand
It's in your dictionary
T-R-U-T-H spells bullshit to me

Leave me a note
In a brown envelope
And I'll happily oblige
Happily oblige
